

PFFY-P20VLRM-E

Indoor Unit

Floor Standing Concealed

A compact concealed unit providing simple, effective air conditioning in perimeter zones. The unit is easy to install and at only 220mm deep offers an unobtrusive method of delivering highly efficient air-conditioning performance.

- Concealed unit for hidden installation
- Ideal for perimeter refurbishments
- Cooling operation set temperature can be set down to 14°C db when used with R410A
