

PKFY-P-VAM-E/PKFY-P-VGM-E

Wall Mounted Indoor Units

New Models

An elegant design combined with compact dimensions and quiet operation make the PKFY-P an ideal unit choice. Noise levels are significantly reduced thanks to a unique airflow passage design that not only makes the unit one of the quietest in the industry, but also suppresses condensation and prevents mixing with secondary air.

- > Compact design - only 815mm wide (VAM-E)
- > Front grille opening for easy cleaning
- > Front power supply for easy wiring after installation
- > 5-way piping provides more flexibility in selection of installation sites
